IIA INDIA NATIONAL CONFERENCE 2020

“AUDIT IN TUNE”

30 and 31 January 2020
Taj West End, Bengaluru
The Institute of Internal Auditors, India and The Bangalore Chapter are pleased to host the National Conference on the 30th and 31st January 2020 at The Taj West End Bengaluru.

The conference with its theme “Audit In Tune” is a global event for CAEs, CROs, CCOs, CFOs, CTOs, CISOs and members of the fraternity where we expect to welcome 350+ key people from across India and from abroad to our city for an event focused on understanding the various elements, macro and micro, that exists in the landscape we operate in and that influence our work as risk and internal audit professionals.

IIA’s Chairman of the Board, Mr Mike Joyce, President, and CEO Mr Richard Chambers, the leadership of IIA India and the Board of Governors of the Bangalore Chapter invite you to participate in this vibrant event which will discuss how instrumental it is for successful internal auditors to continuously fine-tune their audit approach and philosophy.

IIA’s Chairman, Mr. Mike Joyce put it aptly by saying, “Most songs have three primary elements: rhythm, harmony and melody. If any one of those elements is out of sync, it will be obvious to even non-musicians. I think that we can apply these same concepts to the way we perform our roles and responsibilities as internal auditors.”

The 2020 National Conference provides an excellent opportunity to gather, network, and exchange information on the new, refined and innovative practices of internal audit adopted around the world and to interact with various decision makers across India.

Sessions will be a mix of knowledge sharing presentations and panel discussions which will be conducted by experienced and well-known professionals from the corporate world.
